Capital Campaign for All Saints Academy

News

Our school has long been proud to share the CK campus with the Bishop Griffin Resource Center. For almost fifteen years, that important ministry has operated out of the building that was the former church rectory. (Many of our alumni remember when that building was used as the CK School Library, and then later as the Pre-School.) During the month of July, the current building will be razed to make room for a new structure that will better accommodate the work of the BGRC. We are praying for the success of this project!

Wrapped up with this project will be a new playground for the students of All Saints Academy. Many of the children in the neighborhood and parishioners of Christ the King refer to this play area as “The Park.” By next fall, we will have updated playground equipment for the young people in our community to enjoy.

Alumni are still scheduling visits to the school. If you or someone you know would like to take a tour, please reach out to Father David Schalk at dschalk@columbuscatholic.org. Also, if you would like one of our CK School T-Shirts, fill out the Google Form linked below. The cost is \$20 – a worthwhile investment!

August 24
First Day of School

From the Leadership

Laura Miller, Principal

"We are welcoming new staff members to our school community, including Maria Vallejo, our new Assistant Principal. Ms. Vallejo is originally from Mexico and has taught Spanish at Cristo Rey High School for the past several years. She brings with her creativity, great joy, and a passion for the Latino community. All Saints Academy is blessed to have her!."

Maria Vallejo, Assistant Principal
